

STEM Boot Camp

WHO?

Incoming JU STEM Majors
(Science, Technology, Engineering, and Mathematics)

WHAT?

Overnight camp designed to lay a strong foundation of important STEM skills and to ease the transition into college

- Participate in Sample Lectures, Laboratory Experiments, Enrichment Workshops, and a Team-Building Group Project under the instruction of JU Faculty and Staff
- Enjoy Field Trips, Pool Time, and more!

WHEN? WHERE?

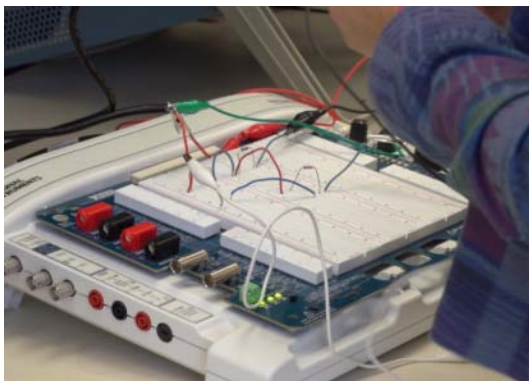

August 13-August 25

Jacksonville University

WHY? HOW?

To poise new STEM students for success

- Discuss best practices for studying, time management, note-taking, and writing
- Develop relationships with faculty advisors, peers, and student mentors
- Learn about campus resources dedicated to providing student support and facilitating student success
